

A lush green garden scene with hanging lanterns and red flowers. The background is a dense green hedge or wall of ivy, with three ornate hanging lanterns in the upper left. The foreground is a grassy area with several bright red flowers, possibly ranunculus, scattered across it. The overall atmosphere is magical and romantic, with soft lighting and a few sparkling light effects.

Magical Micro Weddings

What could be more magical or romantic than just the two of you celebrating your magnificent love, sharing the cosiness of a T-pee or a romantic, enclosed 4-poster Arbour for your ceremony and afters? It's tucked away in a private corner of our gardens and we will supply 2 witnesses. BTW, your secret stays with us, and when you're ready, (perhaps when Covid is over), you could have a big 'We're Married!' reveal party!

We've created this very exclusive and magical package for when only You and your Partner matter, so you can celebrate your true and genuine love for each other, just pure magic, no messing from anyone.

Only 3 of these very exclusive and magical packages available for \$1500.00
